GENERAL SECRETARY 2 - FEB. 1937

SIR,

Protected Water Supply to the Mudukatore Temple grounds - T.Narasipur Taluk.

I have the honor to forward herewith a copy of letter No. [illegible]/Sec 36 dated 28-1-1937 together with its enclosures received from the Deputy Commissioner, Mysore District, requesting sanction to the Scheme at a cost of Rs.6,430.

2. The whole Scheme costs Rs 8,013 including the charges on account of establishment, tools, plant and contingencies and 1/3rd cost of the pumping engine and accessories, as detailed in the margin. Besides the current charge of Rs 2. for working the pump during dates of the current years [illegible] the Deputy Commissioner proposes to work out the distribution system in instalment of the whole Scheme, the Water Supply Department having agreed to lend the pumping set and the cistern and to supply the water after chlorinating in the cistern. The cost of this account is estimated to amount to 4,200 including the working charges and proportionate establishment, tools, plant and contingent charges.

| | Rs |
|---|---|
| (1) Sinking a well 15' diameter .. | 1,000 |
| (2) Steel Tank .. .. .. | 2,500 |
| (3) Distribution by pipes .. .. | 3,450 |
| (4) Contingencies, establishment, tools and plant charges .. .. | 1,000 |
| (5) 1/3rd cost of engine pump etc. .. | 063 |
| Total .. | 8,013 |

file of February 37.

3. The cost is proposed to be met from the funds of the Sri Mallikarjunaswami temple at the place, which has sufficient funds in cash and investment.

4. As the supply of protected water is a necessity, I request that sanction of Government may be obtained to the entire Scheme and for an expenditure of Rs4,200 during the current year. The favour of early orders is solicited.

I have the honor to be,

Sir,

Your most obedient servant,

Mzl Commissioner..

Letter No.1144/35-36 dated 28-1-37 from the Deputy Commissioner, Mysore District, to the Muzrai Commissioner in Mysore.

---

Subject:- Protected water supply during the Mudukatore Jatra in T.Narasipur Taluk.

---

I have the honor to enclose herein report No.Muz.120/36 dated 28th January 1937 received from the Sub Division Officer, Nanjangud, together with the connected records, regarding the question of protected water-supply to Mudukatore Jatra and to state as follows:-

The proposal of the Executive Engineer, Bureau of Sanitary Engineering comprised the following items.

| | | |
|---|---|---|
| (1) | Sinking a well | Rs.1,000 |
| (2) | Pressed Steel Tank | "2,000 |
| (3) | Pipe-lines etc. | "3,430 |
| | Total | Rs.6,430 |

(Exclusive of contingencies, tools and plant charges).

(4) Portable Crude Oil Engine and Ram Pump accessories 1/3rd of Rs.1,658 Rs. 553

(The remaining 2/3rds being borne by the Hemagiri and Chunchanakatte Jatras).

(5) The charges for working the pump for about 10 or 12 days works up to Rs.221.

For the next jatra to be held during the middle of February next, the arrangements proposed are to work out the distribution system as an instalment of the whole Scheme. The Water Supply Department will lend to a small hire, the engine and pump and cistern available with them. Water will be chlorinated in the cistern and supplied through the distribution system. The expenditure to be borne in the current year is, therefore, Rs.3,430 for pipe lines, plus Rs.171 for contingencies at 5% plus Rs.360 for establishment, tools and plant chargesor R 3,961 in addition to Rs.221 for working charges and a small hire for the engine, making a total of R 4,200 in round figures. The Dharmadarsis in their resolution dated 16th January 1937 have resolved that a sum of Rs.4,000 may be spent out of the funds of the institution during this year towards the scheme. The institution is said to have Rs.7,000 in cash and R 5,000 in Government paper at its credit.

In view of the demand for the protected water supply during the ensuing Jatra at Mudukatore, I recommend that sanction of Government may kindly be obtained to the above scheme early.

The detailed countersigned estimate and sketch received from the

Sanitary Engineer are enclosed in the records for kind reference.

Letter No. C.976/20-37 dated 1st February 1937 from the Mysore Commissioner in Mysore submitting for sanction a scheme prepared by the Bureau of Sanitary Engineering at a cost of Rs.6,234 (Rs.8,013 non-recurring items and recurring) for a protected water supply to the Lakkatoru Extra Grants in T. Narsipur Taluk, to be met from the funds of the Sri Mallikarjunaswami temple in the village, the work during the current year being limited to Rs.4,000 only.

---

Order No. 1103-7 / Mug 173-36-2 Encl 4 files DM-C.

The proposals of the Bureau of Sanitary Engineering comprise the following items:

| | |
|---|---|
| 1. Sinking a well ..... | Rs. 1,... |
| 2. Pressure steel tank ..... | 2,... |
| 3. Pipe line etc. ..... | 3,42... |
| 4. Contingencies @ ... ... | 3... |
| 5. Establishment, tools & petty charges @ ... ... | 71... |
| Total.... | Rs.746... |
| 6. Variable items of Engine and Pump accessories (one-third of Rs.16,08) | 5,3... |
| Grand total.. | Rs.8,01... |

Besides these non-recurring charges amounting to Rs.8,013, the recurring charges for grants for Extra Grants during the Fasli, or 1936-37, will in the total estimated cost of the scheme to Rs.8,234, to be met from the funds of the Sri Mallikarjunaswami temple at Lakkatoru. The Deputy Commissioner, Mysore District, has reported that for the Lakkatoru to be held during the month of February 1937, the arrangements proposed are to work out the distribution system on the installment of the whole scheme, and that he does not apply for the Government would for a small hire the engine and pump and cistern available with them, and that the expenditure to be borne in the current year will therefore be Rs.3,961 'over and above the allotment available from Rs.821 working charges for the season or in round figures Rs.420 allowing a small hire for the engine. The Shanbhogue of the temple are reported to have agreed to the above terms and to incur the expenditure of Rs.4,000 for the purpose during the current year.

In the circumstances Government are pleased to sanction the above project of water supply, the work for the current year being limited to the extent mentioned above and the cost being met from the funds of the said temple as recommended by the Mysore Commissioner.

By Order,

Secretary to Government.

The Mysore Commissioner in Mysore, with records.
